EDUCATION

SNS College of Technology

Bachelor of Engineering in Computer Science Engineering

Coimbatore, Tamil Nadu

Nov 2021 – Apr 2025

EXPERIENCE

UI/UX Designer

Manovate Technologies

Oct 2025 – Mar 2026

Chennai, Tamil Nadu

- Designed user-friendly web and dashboard interfaces focused on usability and accessibility
- Created wireframes, user flows, and interactive prototypes using Figma
- Conducted basic user research and usability discussions to understand user needs and pain points
- Worked on dashboard layouts, visual hierarchy, and responsive design principles

UI/UX Designer Intern

Cubical Frames

May 2025 – Oct 2025

Coimbatore, Tamil Nadu

- Designed wireframes and high-fidelity UI screens for web and mobile applications
- Built interactive prototypes and design systems using Figma
- Assisted in user research, competitor analysis, and usability improvements
- Applied responsive design principles to improve cross-device user experience

PROJECTS

HRMS Admin and Employee Dashboard Application | [Figma Prototype Link](#) | *Dashboard Design, UX Research*

- * Designed responsive HRMS dashboards for admin and employee management workflows
- * Created role-based navigation, dashboard layouts, and reusable UI components
- * Focused on improving usability, accessibility, and workflow efficiency
- * Developed wireframes and interactive prototypes for workforce management features

AI-Powered Call Analyzer Website | [Figma Prototype Link](#) | *SaaS Product Design, Web Design*

- * Designed a modern SaaS website for AI-powered call analysis and performance insights
- * Structured complex information using strong visual hierarchy and intuitive layouts
- * Improved user engagement with clean UI sections, feature highlights, and strong CTAs
- * Created responsive web layouts optimized for desktop and mobile devices

AI Chatbot Automation Website | [Figma Prototype Link](#) | *Interaction Design, Responsive Design*

- * Designed conversational AI workflow interfaces and automation dashboards
- * Enhanced user engagement through reusable UI components, hover interactions, and animations
- * Focused on intuitive navigation, accessibility, and modern visual design principles
- * Built responsive layouts to improve user experience across devices

Veterinary Doctors Mobile Application | [Figma Prototype Link](#) | *Mobile App Design, User Flow, Prototyping*

- * Designed a mobile application for veterinary doctors to manage appointments and patient records
- * Created user-friendly navigation flows and quick-access action screens
- * Developed wireframes and mobile prototypes focused on usability and efficiency
- * Applied mobile-first design principles for better accessibility and interaction

TECHNICAL SKILLS

Design Skills: UI Design, UX Design, Wireframing, Prototyping, User Research, User Flow, Interaction Design, Visual Hierarchy, Responsive Design, Information Architecture, Usability Testing, Dashboard Design, Mobile App Design, Web Design, Design Systems, Accessibility Design

Tools: Figma, Wix Studio, Canva, Adobe XD

AI Tools: ChatGPT, Gemini, Uizard, Google stitch , Claude

Frontend Knowledge: HTML, CSS, Javascript
